

1st Slave Lake Scouts is run by volunteers - if it wasn't for all their hard work and commitment there would be no Scouting in Slave Lake.

This year's Kub Kar Rally was a success because the Leaders put in extra time in the evenings and over the weekend helping the children to build their cars and trucks. When it came time for the Rally it was these people that stepped up and did their part in order to help make things run as smoothly as they did!

Thanks to:

Ross MacDonald, Kyle Bradford, Gord Perkins, Sheri Lummerding, Jonathan Pardell, Ron Leslie, Jennifer Wilson and Nic Goddard for all their time and effort put in with the Rally! It was because of their time and commitment that Slave Lake's youth had the opportunity to build and race their cars!

Jule Asterisk and Jennifer Wilson put in numerous hours calling around to local businesses looking for sponsorships!

A special Thank you goes out to Terry and Eva for helping out in the kitchen serving lunch and snacks.

Also a BIG thank you to Carrie MacDonald and Vanessa Houston for slaving over a hot stove cooking up the Chili!

Scouts want to thank the parents that came early to help do the set up and the ones that stayed late to help do the clean up!
